

Grandmother Espresso Martini

One of the cocktail named by a renowned Balinese chef, who, after a long day in the heart of Ubud, found himself enchanted by our martini creation. Crafted with virgin coconut oil, made through an authentic, traditional process using organic firewood in the humble kitchens of rural Bangli, the drink evoked something unexpected.

As he took his first sip, a wave of childhood memories came rushing back – the warmth of his grandmother's kitchen, the scent of coconut slowly simmering over a wood flame, the comfort of home. Moved by that moment of nostalgia, he smiled and said softly, "This... this is the Grandmother Espresso Martini."
